Adding MWEs to Serbian Lexical Resources Using Crowdsourcing

Jelena Mitrović, Miljana Mladenović, Cvetana Krstev
University of Belgrade

- Enriching Serbian lexical resources with MWEs related to the rhetorical figure Simile, e.g. *Hladan kao led* "As cold as ice".

- Google Forms questionnaires were used for finding frequently used *Adjective-Noun* constructs.

- Results compared with *Adjective-Noun* constructs extracted from the Corpus of Contemporary Serbian Language.

- New relations were added to Serbian WordNet.
